Tip 小撇步:

Each piece contains one half of a bee and specific decorative designs. Use these designs to make it easier to identify which pieces the “challenge” card requires.

每一塊拼圖板塊都包含了一個半隻的蜜蜂以及一個特定物件。利用這些提示來知道完成該關卡所需要的拼圖有哪些。

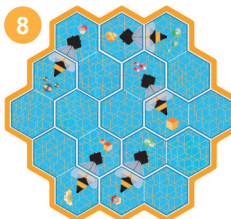

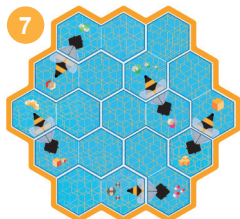

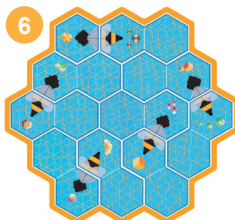

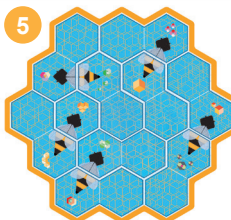

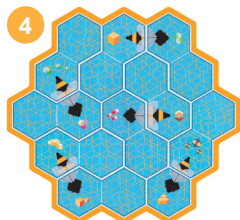

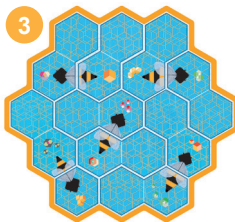

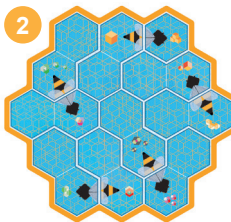

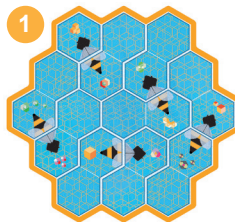

Then try to complete the card by placing the remaining pieces and completing the bees.

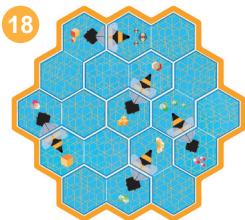

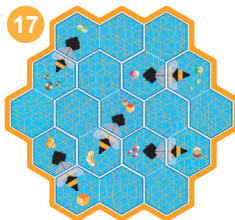

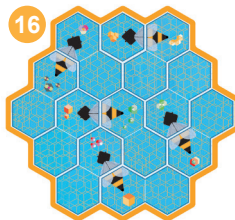

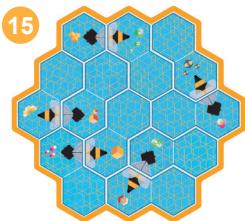

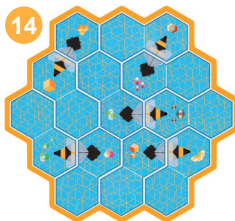

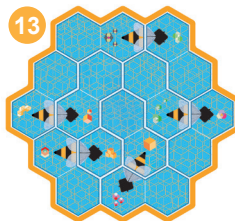

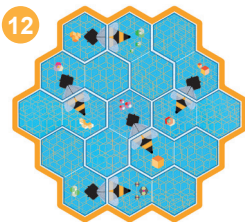

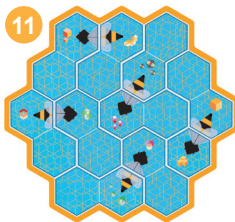

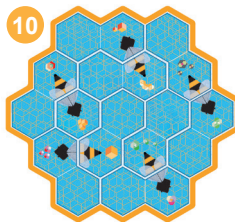

There's just one solution for every challenge!

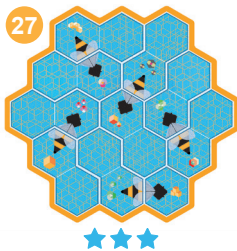

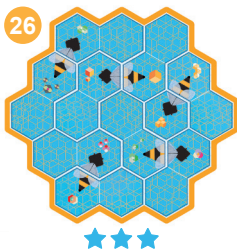

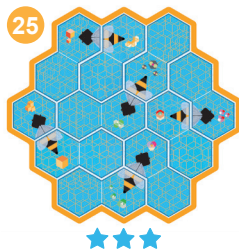

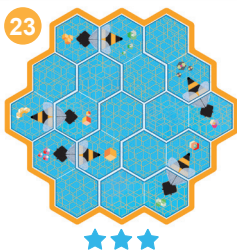

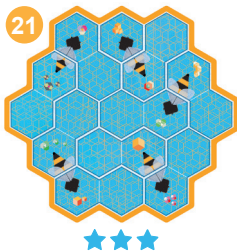

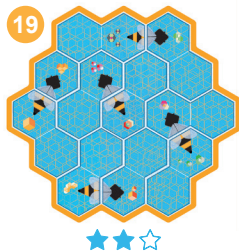

接著嘗試透過填上空缺的拼圖來完成整個蜂巢。每一關卡都將只有一種解答！
